January News

Happy New Year! May this year bring peace and prosperity to you and your family, to our nation and our world. Let's all do everything we can to make 2017 a great year for children everywhere.

Spring Semester begins on Tuesday, January 3. Also note that Monday, **January 16 is Martin Luther King, Jr. Day**, and there will be no school on that date.

There will be **Photo Make-up Days** on Tuesday, **January 24**, and Wednesday, **January 25**, from **8 am-noon**. All students need to have a photo ID, so please make every effort to have your student attend one of the sessions if they have yet to be photographed. Photos are also available for sale, if families are interested in purchasing photos. Order forms can be found at the receptionist's desk.

On Thursday, November 10th, APL's Robotics class, accompanied by teachers Mr. Miller and Mr. Rothrock, went to California State University, Chico for a **Manufacturing Career Fair**. While at Chico State, students visited over 30 different booths set up with demonstrations and contraptions from prospective employers. Students learned of the various types of manufacturing jobs that exist beyond high school and learned of the types of jobs that can be achieved with various levels of college education. Some examples included welding, 3D printing, heavy equipment maintenance and repair, manufacturing of printers, and many more. While at the fair, students also attended a short presentation about the engineering process from prototyping all the way through production. Afterwards, Mr. Rothrock shared that it was "really cool" to see the students realize that they are already following this process as they have been doing 3D printing and design for building Unmanned Aerial Vehicles (UAV's) or drones as part of the **4H Tech Wizards grant**. The day concluded with a tour of the manufacturing labs at the university. Students visited the plastics lab where they learned about mold injection plastics. Some students even got to make their own license plate covers. They also toured the metal machining lab and wind tunnel. APL students who attended the Manufacturing Career Fair were: Tobyn Biskner, Preston Bouseman, Mac Freitas, William Greenhood, Henry Jorrick, Noah Mason, Logan Matti, Josh Mutuku, Emily Pitroff, Hunter Simmons, Kenan Stonkey, and James Wegner. Thank you to all the parents who drove and chaperoned this great event. This experience would not have been possible without your help.

Students in the Spotlight

Wyatt Carey is a 4th grade student and has attended APL since kindergarten. Wyatt always gives his best effort on his school work and it shows as he is doing well in his classes. Wyatt's favorite classes are Lego Science, Math, Science, and Fly Tying. In his free time, Wyatt enjoys Legos, video games, playing outdoors, animals, and going on fishing trips with his dad. Wyatt is a polite and friendly student, and he has a good attitude. We appreciate the kind and generous spirit that Wyatt shares with our community.

7th grader **Raegan Brumit** is an extraordinary young lady. She is funny, creative and caring. Reagan is always willing to help others, and volunteers in the school library although she is not earning any credit. She does it just to help. Academically, Raegan is a top-notch student. She excels in her site classes, always completing her work with thoroughness and accuracy, and earning all A grades. Raegan often babysits when not attending classes and she is very active in her church. Our school is fortunate to have a student like Raegan!

Mac Freitas has been with APL for just over a year. In that time he has demonstrated diligence, dedication, and ingenuity. Mac is participating in Project Titan (Human Exoskeleton Project) and a mentor for the 4H Tech Wizards Mentorship grant. He has forged lasting relationships with 3 elementary students as he has guided them to designing and building their own drones. Mac is taking 3 college classes and he was recently invited by Shasta College to join their Honors Program, an outstanding opportunity for a Junior in High School! Mac is truly a shining star of APL.

APL is accepting new students for the **2016-17 school year**. Orientation for interested families will be held on **Wednesday, January 4 at 5 PM** at APL, **2195 Larkspur Lane**. If you have friends or family looking at school options, please consider suggesting us!

APL Orientation

Here's some of what we have to offer:

- K-12 program
- WASC accredited
- Curriculum choice
- Independent study
- Home school

- Resource center instruction, vendor courses & tutoring
- Flexible scheduling
- Credentialed teachers
- California standards based instruction

School Business

If students are sick, please have them stay home until they have recovered (ie. are not infectious). To retrieve your student's assignments when absent, go to the student portal <https://apl.parentstudentportal.com/> and log on. (Use Mozilla or Chrome, not Internet Explorer.) Once on the portal, click the grades and comments link. This will bring up the list of their classes and from there you can click view assignments. The assignments should be listed by due date so that you can find what is due on the next school day.

If your address or phone number change, please let your PLT, or Kara at the front desk, know so the information can be updated. We need to be able to contact you in an emergency.

Student Assessment: Each year, APL must assess student progress using multiple measures. **California Assessment of Student Performance and Progress (CAASPP)**, the online state testing, will be conducted **March 20-31** for students in **grades 3 through 8 and 11**. Make-up tests will be given **April 3-7**. There will be more information forthcoming in future newsletters to help students prepare for CAASPP. Due to our earlier CAASPP testing window, we will conduct our end of the year benchmark assessments with Scantron and DIBELS after the CAASPP testing.

Work Permit applications are available at the school office. Parents can fill out the request and drop it off at APL or fax it to the office at 222-9281.

The students whose names were drawn for **Good Apple Awards** this month were: **Lynx Corregidor** and **Lochlyn McEachen**. These students were cited with "good citizenship" and given tickets, which were then selected in the monthly drawing. Congratulations to our "Good Apples!" (See Ms. Lynn or Ms. Kimberly in the library to claim your prize.)

Yearbook 2016/2017: If you are interested in purchasing an APL Yearbook for this school year, you can find order forms and place your order at APL's reception desk. Yearbooks will cost \$15 until spring break, and then the price will be \$20 starting April 18, 2017. **Senior portraits for the yearbook are due by January 31**. Please see the flyers for **2017 Senior Portrait Guidelines** and **Yearbook Recognition Ads**.

Destiny Quest is our APL Library system which allows students and parents to browse our library holdings, place holds, create resource lists, and renew materials. The URL is : <https://ourapl.follettdestiny.com/>. Click on Academy of Personalized Learning. In the upper left hand corner choose "create account." You will then see a space that states: "enter your last name" and "enter your barcode." The last name will be the student's official last name and the barcode is the student's school ID number that can be found on their student ID card, or can be obtained from your teacher of record or any library staff.

After login, you will get a page that looks like this:

Library News

At the top of the page there are several tabs including Quest Home, My Info, Advanced Search, and Visual Search. You can search for books and resources by clicking on the Visual Search or the Advanced Search Tabs. You can also type in a book or subject after the "Find," then click on "Go." If you click on the "My Info" tab at the top of the screen a new window will pop up that gives students/parents the option of viewing a student's current check outs.

Reading Incentive Program: Star Wars is this year's theme for our reading incentive program. Pick up your reading logs at the APL Library or from your teacher. For each log completed, students win a small prize. For every 10 logs submitted, students will receive a book of their choice through Scholastic, and they will be entered into a drawing for a Barnes & Noble gift card. Ten gift cards will be awarded at the end of the school year.

"The New Year stands before us, like a chapter in a book, waiting to be written. We can help write that story by setting goals."

~ Melody Beattie

Scholastic Book Catalogs are available at the APL library. Scholastic book orders are a great way for you to get new books, CHEAP! Each order that you place also helps to buy books for our library and for our students. You can place your orders either through our library with a check, or online with a credit/debit card. To order online, go to www.scholastic.com/bookclubs. Follow the prompts to create your own username and password. When prompted, enter the one-time Class Activation Code, GJXLB. If you have questions, contact Kimberly at APL.

Upcoming Events

Join APL students on a tour of Redding's **In-N-Out restaurant** on Tuesday, **January 31**, at **9 am**. We will have a presentation about In-N-Out as a business, then go behind the scenes to see how the food is prepared. Students will tour the facility and receive a complimentary order of food. Only students in **grades 1-8** can take the tour. Parents must sign a Field Trip Agreement for students to participate. Parents with small children or babies must wait in the dining area. Closed-toe shoes must be worn for the tour. Sign up now for this fun field trip at www.ourapl.org.

Field Trips: If you need to cancel your registration, please contact **Lynn Weidenkeller**, lweidenkeller@ourapl.org. There are often other families on a waitlist who would love to attend the event. Thanks!

APL Ashland Experience: For those students who have signed up for the Oregon Shakespeare Festival presentation of **Julius Caesar** on **March 8**, please pay for your ticket by **February 2**. The cost of tickets is **\$34**. If you have questions about the trip, please see APL teachers, Mrs. McEachen or Mr. Nowain.

The Enterprise High School Music Department proudly presents **Starship Variety Hour 2017** at the Shasta Learning Center Auditorium on Tuesday, **February 21** at **11:30 am**. This matinee performance promises to be an energetic and exciting production with singing, dancing and stagecraft on display. Seats cost **\$2** each and are limited, so purchase them now at the APL front desk and sign up at www.ourapl.org.

The **North State Symphony** will perform a youth concert, **Symphony Quest, To the Stars and Beyond**, on Thursday, **March 9, 11:00-11:45 am** at the Cascade Theatre. "Blast Off!" on a musical trek by Daniel Dorff, visit "The Planets" by Gustav Holst along the way, and hear the sounds of "Star Wars." This musical multi-media experience will be an over-the-moon way for students in grades 2-6 to learn about the orchestra! Tickets are **\$5** per person. Register at www.ourapl.org and pay at APL's front desk to reserve seats.

Tarzan the Musical will be performed at the Cascade Theatre on **March 31** at **10 am**. Tickets are **\$5** each. To register, sign up at www.ourapl.org and pay at APL's front desk. Only payment reserves seats.

College Corner

"Life is change. Growth is optional. Choose wisely." ~Unknown

Seniors, watch for application confirmation emails from the college(s) you applied to and create a "portal" for each of your colleges. Check your online portals and your email on a weekly basis and respond to requests for information promptly.

Keep a copy of everything you submit (paper or electronic copy).

The **FAFSA** (Free Application for Federal Student Aid) is available online: www.fafsa.gov. FAFSA is due **March 2** if you want to be considered for **Cal Grant**. After completing your FAFSA be sure to create a www.webgrants4students.org account so you can find out about and monitor your Cal Grant award.

Cal Grant awards are need-based eligibility grants determined from the information filed on the FAFSA and the student's GPA. The California Student Aid Commission (CSAC) sets income and asset ceilings to determine Cal Grant eligibility. All students are encouraged to apply for financial aid, regardless of whether or not their family income

and assets are above the ceilings. A **GPA Verification Form** must be submitted to the CSAC by **March 2**. **APL will submit GPA verification for all seniors.**

Due to the earlier FAFSA cycle that began this year, Cal Grants are already being awarded for 2017/18.

Apply for scholarships! Some have early deadlines. www.fastweb.com

The new application cycle for the **George Grotefend Scholarship** opened on **November 1** and applications are due on-line by **3/8/17** at 8:30 pm local time. Seniors who expect to graduate in 2017 may apply. Further details on requirements may be found at: <https://northstatescholarships.communityforce.com/Funds/Search.aspx>

The **North State Scholarships** website listed above has information and applications for a variety of local scholarships, including the **McConnell Foundation Scholars** and **Vista** programs.

The **SAT** and **Subject Tests** will be administered at **Central Valley High School** on **January 21, 2017**. The regular registration deadline is **December 21**. There is late registration (with a late fee of \$28) through **January 10**. Register at www.collegeboard.org. The cost of the SAT is \$45, or \$57 with the essay. There are a limited number of fee waivers available for qualified students.

The **ACT** will be offered at **Central Valley High School** and **Liberty Christian School** on **February 11, 2017**. Regular registration is through **January 13** and there is late registration (with a \$25 late fee) **January 14-20**. The cost of the ACT is \$39.50 (or \$56.50 with Writing). For more information about the ACT, go to www.actstudent.org.

 **Tutoring**   **Meetings**  **Winter** 

Tutoring: APL has made changes to our tutoring model to better meet the needs of our students. Please contact your PLT if your student needs tutoring assistance.

APL teacher Vanessa Burger will continue to be available for tutoring at the **Burney Library from 10:00 am to 1:00 pm on Tuesdays. Please call ahead to arrange an appointment with her at 276-7936.**

Boxtops

APL has collected \$78.80 for boxtops that have been turned in so far this year. We appreciate the thoughtfulness of those who have clipped the boxtop labels off of products they purchase and donated them to us. We will use the money to purchase books for the APL library. Thank you!

The **APL Board Meetings** for this school year are generally the **3rd Thursday** of each month at **5:15 pm**, with the next meeting on **January 19**. The public is invited to attend.

Do you have ideas of how to make APL a more successful school? Have you considered participating on our Advisory Council? The purpose of **APL's Advisory Council** is to gather input from the vested members of our school community and use that information to improve our school. This includes addressing the concerns of families and staff, and making suggestions to our Board of Directors. The Council meets one afternoon a month and child care can be provided. If there are parents, high school students, or teachers who would like to serve on the Council, contact Dr. Dougherty, pdougherty@ourapl.org.

Looking for things to do this winter?

~ Start your New Year on the right foot (or left) with the **Clikapudi Trail Runs** on the shores of Lake Shasta on **New Year's Day 2017 at 10 am**.

~Visit the **Redding Health Expo** on **January 7, from 10 am to 5 pm**, at the Redding Convention Center. For more information on these and other interesting activities, please visit www.winterfestredding.org.

Indoor winter activities: The **Redding Library** has programs for children throughout the week such as Game Night on Mondays, various themed story times, Children's Cinema on Fridays, Children's Creativity Hour and Read With Me (Dogs) on Saturdays. There are also activities at the Anderson and Burney libraries. Visit www.shastalibraries.org/childrens-708 for more information.

TEXT

- If submitting by delivery to APL please submit your text typed in a plain font on white paper or submit as a word document or .txt file on a CD or a jump drive. Txt files may also be emailed as an attachment to bobmc@bobmccconnell.net
- See the ad formats for message length guidelines.

PHOTOS

- Submit the exact number of photos to match your format.
- (your photos will be enlarged or reduced to fit the actual ad size.) On the back of each photo, write the number of the position you wish it to occupy and the student's name (on occasion, we might need to adjust positioning per what would look and work best). Watch for wet ink!
- You may also submit 300 DPI jpg photos on a CD or jump drive. The jpg file name should be the student's name and photo position number.
- Please DO NOT use photos from websites or camera phones (they are too low resolution), watermarked proofs, copyrighted photos or copies of them.
- DO NOT fold or cut photos
- We cannot fix blurry or heavily textured photos.

- We reserve the right to edit or remove material inappropriate for publication in a school yearbook such as but not limited to firearms, inappropriate hand gestures, drugs or drug references, alcohol and nudity (even baby bottoms) without prior notification.

CUSTOM LAYOUTS

- Must be submitted camera-ready OR digitally.
- Camera-ready means you must paste down all photos and text in place on a clean background or submit a photo-quality printout of the entire ad on glossy photo paper to the EXACT size of the ad (see specs on order form).
- Digital submissions are acceptable but must be jpg files with a minimum resolution of 300 DPI actual size.
- We cannot create custom ads for you.

SUBMITTING MATERIALS

- Properly titled jpg pictures may be uploaded to <http://bobmccconnell.smugmug.com/upload/qV-9j5t/apl2015>
- Text files may be emailed to bobmc@bobmccconnell.net. Title the email with students name.
- CD's, jumpdrives and printed pictures/text may be dropped off at the front desk at the APL Office.

SENIOR PORTRAIT GUIDELINES

To ensure quality portraits that look great in your yearbook, we ask that you use a PROFESSIONAL photographer who is aware of our guidelines and agrees to abide by them. This also makes the process of uploading photos to the yearbook much easier because they are coming from a limited number of sources rather than 300+ CDs with one photo on each. In the past, some photos were not acceptable due to poor image quality, image size, clothing choices, etc. It is not fun for anyone when a photo has to be rejected. You will find that professional photographers in our area are eager to work with you for the best possible yearbook portrait. They offer packages in a variety of price ranges and quantity of poses, clothing changes, and backgrounds; however, if you want a yearbook portrait only, they will most likely accommodate that also. These studios will also ensure that your photo arrives by the portrait **deadline**, which is **January 31, 2017**.

Please share the following guidelines with your photographer:

- ***pose and attire** must be acceptable for a student publication—**school dress code**
- ***color only** pictures (black & white and sepia photos will not be accepted)
- ***vertical pose** *subject is photographed from **waist up or closer** *one portrait per senior
- ***no** props, sports gear, musical instruments, pets, hats, sunglasses, hand gestures, and **no** clothing with inappropriate words/images
- ***BOTTOM LINE: WE WANT YOU TO BE THE FOCUS OF THE PORTRAIT**
- ***images** must be jpeg (**1-3 megabytes**) on a CD or emailed as attachments to **bobmc@bobmccconnell.net**
- *students' **names MUST accompany portraits** and must be spelled correctly
- *studios submitting pictures for several students may place the images on a CD and include the studio name and phone number, along with a printed list of students' names
- *studios emailing photos should send no more than 10 per email as attachments
